

Employer Based Technician Training Program for all Florida Pharmacies

The FPA has made it easy for you to file for approval for your employer based training program with the Board for approval. Once approved you can enroll your technicians in the comprehensive training modules. The cost per technician is \$339. Technicians who join the FPA as members only pay \$299. It should take about 160 hours for your technician to complete the program.

This program is designed to supplement your on-site training program for pharmacy technicians.

The Florida Pharmacy Association, partnering with PassAssured of Orange, Texas is pleased to present a web based employer based technician training program for Florida pharmacies. Florida Statutes 465.014 requires pharmacy technicians to register with the Florida Department of Health. To be eligible for registration technicians must complete a Board approved training program as defined under rule 64B16-26.351.

All employer based technician training programs must be approved by the Florida Board of Pharmacy. The FPA is offering assistance to pharmacies in their efforts to get their training programs approved. Simply follow the steps published on the FPA web site in the **"Shopping"** menu item under **"Pharmacy Resource Materials"** where the program's information is published. **There is no cost to apply to the Board.**

Send us your contact information and we will be glad to help you.
