December Edition – Letter from the Editor

Brothers,

Congratulations on making it to the end of another semester and getting closer to your future pharmacy practice! Thanksgiving has come and gone, and as we head into the dense holiday season I wanted to highlight some ways the Chapters in our region have brought their Brothers together. We also have some big events happening here in our region.

Happy holidays and AAAE!

James Winslow, SE Regional Director for Communications

Chapter Spotlight:
ΒΛ – Nova Southeastern

Brothers from Beta Lambda came together to celebrate their own “Friendsgiving” this past November. 35 Brothers, including some who were newly initiated from just the weekend prior, met up at a local restaurant to spend quality time with each other and discuss what they were thankful for. Festive dress and bright smiles punctuated the night.

St. Jude Walk – ΒΦ – Palm Beach Atlantic University

Each year, Brothers and candidates from Beta Phi organize and participate in their local Walk/Run for St. Jude Children’s Research Hospital. This year’s event was originally scheduled for October, but got postponed to November due to Hurricane Irma. This turned out to be serendipitous because it allowed for more fundraising time. Brothers from both Beta Phi and Beta Lambda attended, and Beta Phi ended up raising over $4,000 for St. Jude!

Much like Beta Lambda, Brothers and candidates from Delta Delta Chapter organized their own potluck version of Friendsgiving. Everyone attending was encouraged to make their own specialty dish to share with the Chapter. Other than eating, activities included avoiding all discussion of schoolwork.
