We are returning the check you sent previously to PGW regarding gas debt associated with the property address stated above. The Philadelphia Gas Works is returning the check as required in the matter of Augustin et al. v. City of Philadelphia (E.D. Pa. – No. 2:14-Cv-04238), as it is for sums attributable to certain non-owner gas liens/debt at the property address stated above. The Court in Augustin has instructed PGW not to accept payment with respect to amounts meeting certain criteria, which have been met in this instance. Additionally, any lien attributable to this amount will be vacated.

If you have a question regarding this refund, you may contact PGW's Credit and Collections Department at 215-978-1053.

Sincerely,
