

e-Poster Gallery Website

<http://www.eventscribe.com/2017/posters/SID>

*Available for viewing during the SID Annual Meeting only
(April 26 – 29, 2017)*

The SID has partnered again with CadmiumCD to provide meeting attendees with access to posters via electronic method. e-Posters are a companion to having physical posters at the meeting site, and attendees will have access to view the e-Posters during the Annual Meeting time only. As we all know, seeing every poster and having enough time to ask every question during Poster Sessions has become increasingly challenging at meetings. Access to e-Posters hopes to alleviate (but not eliminate physical posters) these challenges.

The e-Poster Gallery site will allow you to search abstracts by category, session, author(s), keyword(s), and by ID number. You will also have the ability to contact the author directly via email should you have a question or comment about a particular abstract/poster.

We hope you find this tool a value-added component to the Annual Meeting. Should you have any questions or comments regarding the e-Poster gallery site please let us know?
