2018 Membership Directory Advertising Information

The publication of the 2018 Membership Directory represents an exceptional use of your advertising dollars. The Society's Membership Directory has been a unique daily reference for your fellow members — a source of information and guidance for those looking for investigative help, specialties, a new job or simply seeking an old friend. With this unique opportunity you also have the opportunity to have your company's name listed on our Web site, www.socxfbi.org. If you purchase a full page ad or a cover ad you have the additional option of having a link to your Web site from ours.

If you are interested in being a part of this resource AND helping your Society defray the cost of its publication, please refer to the details on this page, complete the attached form and return it to the Society National Office by **March 30, 2018**.
