BioInterface Workshop & Symposium

Celebrating 25 Years of Scientific Excellence

The Surfaces in Biomaterials Foundation is proud to present one of the best technical and most stimulating events in the field of biomaterials science in 2015! The upcoming 25th Annual BioInterface Workshop & Symposium will be held in Scottsdale, Arizona on September 21-23, 2015. During our event you will be enriched by the science, and the high quality of interaction that is fostered by the unique blend of industry, academic, regulatory and clinical attendees. The size of the event allows you to connect, share and learn by relaxed contact with each of our attendees.

This year's highlights include our workshop entitled "Hemocompatibility Technologies, Models, and Testing"; our lively Point-Counterpoint session; the presentation of our prestigious Excellence in Surface Science Award; our Student Poster competition; and, of course two full days of solid technical sessions.

Our workshop and symposium sessions will feature a comprehensive ensemble of renowned academic and industrial speakers known for their respective work in the biomaterials industry. In this year's symposium we will have presentations covering state-of-the-art in:

- Analytical Techniques for Surface Characterization of Biomaterials
- Chemical and Physical Strategies to Regulate Biological Adhesion
- Ophthalmic Drug Delivery
- Integration for Tissue Repair and Regeneration
- 3D Printing in Medical Applications
- Neuroendovascular Interventional Devices
- Drug Coated Balloons

Please consider joining us at BioInterface 2015!

For more information on BioInterface 2015, please contact Ashley Crunstedt at ashleycc@surfaces.org or call her directly at 1+(651)203-7248.

Conference Highlights:

- Excellence in Surface Science Award Presentation by:
Gail Naughton; Histogen Aesthetics, LLC
- Keynote Presentation by:
Stu Williams; Cardiovascular Innovation Institute - University of Louisville
- Full Day Workshop on Hemocompatibility Technologies, Models, and Testing
- 7 Technical Sessions
- Student Town Hall Meeting & Poster Contest
Multiple Networking Specific Receptions

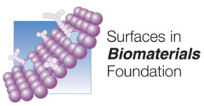

Foundation members and BioInterface attendees specialize in:

- Biodegradable Polymers
- Biofilms
- Hemocompatibility
- Nanotechnology
- Orthopaedics
- Surface Characterization
- Tissue Engineering
- Medical Devices

Sponsorship and Exhibitor Opportunities

September 21 – 23, 2015 | Fairmont Scottsdale Princess
Scottsdale, Arizona – USA

2015 BioInterface Workshop & Symposium Sponsorship and Exhibitor Opportunities

This international conference provides a unique opportunity to showcase your company and network with leaders from across the world.

Diamond Level – \$10,000

- The premier sponsor of the entire conference
- The opportunity to announce the keynote speaker at the conference
- 100-word company description included in the conference materials
- Complimentary full page ad in conference materials
- Company name and logo on all signage throughout the meeting
- One complimentary registration to attend the full conference
- Company logo and website link on event web page prior to event
- Company logo listing in the printed conference program
- Company logo displayed prominently in the conference slide show

Gold Level - \$5,000

- 1/2 page ad in the conference materials
- One complimentary registration to attend all days of the conference
- Company logo printed on event signage
- Company listing on the event web page
- Company logo listing in the printed conference program
- Company logo displayed in the conference slide show

Silver Level - \$3,000

- 1/4 page ad in conference materials
- Company logo printed on event signage
- Company logo listing in the printed conference program
- Company logo displayed in the conference slide show

Bronze Level - \$2,000

- 1/6 page ad in conference materials
- Company logo printed on event signage
- Company logo listing in the printed conference program
- Company logo displayed in the conference slide show

Session Sponsor – \$1,500

- The Session Sponsor is the exclusive sponsor for the session of their choice.
- 1/4 page ad in the conference materials
- One complimentary registration to attend all days of the conference
- Printed signage with logo displayed prominently during the sponsored session
- Company logo listing in the printed conference program
- Company logo displayed in the conference slide show

Break Sponsor - \$1,000

- Printed signage with logo displayed prominently during the sponsored break
- Company logo listing in the printed conference program
- Company logo displayed in the conference slide show

Exhibitor - \$1000*

- One complimentary admission to the entire conference*
- Display table throughout the full conference
- Recognition during first refreshment break
- Company listing in the printed conference program
- Company listing in conference slide show

* Additional representative passes can be purchased for \$250. These passes are only good for the exhibit floor.

All sponsors and exhibitors will be listed in the subsequent edition of SurFACTS in Biomaterials, the newsletter of the Foundation, following the Symposium.

Note: The Exhibit Floor is open Tuesday, Sept 22 through Wednesday, Sept 23, 2015.

September 21-23, 2015
