Conference Objectives
The conference will cover new and leading-edge techniques for patients with multiple traumas, psychiatric trauma patients, acute care and disaster settings. At the conclusion of the course, you will be able to:

- Review the history of the Lystedt Law
- Review the latest evidence for pharmacotherapy in traumatic brain injury
- Discuss army levels of combat casualty care
- Identify thoracic injury and treatment options
- Explain physics involved in gunshot wounds
- Discuss the needs of refugees in third world countries in comparison to post disaster issues in modern areas

CME Program Accreditation
Wellmont Health System is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Wellmont designates this live activity for a maximum of 5.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Approved by the TN Department of Health, Office of EMS for 5.75 Continuing Education Hours, “Category Trauma.”

Virginia EMS providers will receive 5.75 hours of approved Category a CEUs for this activity.

This activity has been submitted to the Tennessee Nurses Association for approval to award contact hours.

The Tennessee Nurses Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

For more information, please contact Crystal Wampler at 423-230-8513.
