Women (Dues)  
Psychopharmacology (Dues)

# In General, TPA...

- Educates the public about mental health issues
- Educates the public about benefits of mental health services
- Provides accurate information to the media about our field
- Serves as a necessary milieu for linking academicians and practitioners

Also, did  
you  
know...

TPA reviews hundreds of  
bills each legislative  
session that relate to the  
practice of psychology

**AND** takes appropriate  
action to ensure public is  
protected

# Programming for Undergraduates

## **Graduate Student-Undergraduate Student Mentoring Program**

- Pair up with a graduate student with similar interests
- Ask for advice about applying to graduate school
