2016-2017 RENEWAL STRUCTURE

The UUMA continues to review the dues structure seeking to address the concerns and realities of a sliding dues scale while still presenting a balanced budget to ensure we have the resources to continue to live into our vision of a stronger, more effective association. In the 2015 fiscal year the UUMA began to move its membership period to match the fiscal year (July 1—June 30). Thank you to all who renewed their membership over the summer! A reminder that because of the realities of our accounting systems all **dues will be payable beginning July 1 and must be paid by October 1 to retain membership.**

While we acknowledge that there is no system that will be 100% equitable across all income levels we hope you will see that the spirit of this structure is intended to level the field as much as possible. Although the chart does not extend past \$100K, those making an income beyond that are welcome to pay 1.0% (0.5%) of their income.

A special note to members earning **Canadian** dollars: when going through the renewal process please first convert your Salary & Housing into US dollars so that you will be paying on the same scale as others.

Membership Categories:
