

MA SMALL BUSINESS WELLNESS TAX CREDIT

Shioban E. Torres

Massachusetts Department of Public Health

Agenda

- Background on MA Wellness Tax Credit
- Tax Credit Overview
- Certification Process
- Additional Resources

2012 Legislation

- **Chapter 224 of the Acts of 2012**

“An Act improving the quality of health care and reducing costs through increased transparency, efficiency and innovation.”

- The “Next Phase” of MA Health Care reform

Chapter 224: Investing in a Healthy Future for the Commonwealth

- Investment of **\$57 M** in community-based prevention, public health, and wellness efforts to reduce the cost of preventable chronic diseases.
- Establishes wellness tax credit for businesses that implement recognized workplace programs.
- Requires DPH to develop a Model Guide for wellness programs for businesses.

Wellness Tax Credit

- **Purpose**

- Encourage adoption of evidence-based workplace wellness programming by smaller businesses (≤ 200 employees)

- **Details**

- Up to 25% of the costs associated with implementing a certified wellness program
- Maximum of \$10,000 per business in a fiscal year (\$40,000 of eligible expenses)
- \$15M appropriated per year

Who Can Apply for the Tax Credit?

- The business must offer health benefits to employees
- Sole proprietorships, professions, trades, businesses and partnerships are eligible to apply
 - 501(c)(3) organizations DO qualify as a “business” for the purpose of the wellness tax credit, but only for their unrelated business taxable income.
- ≤ 200 employees, the majority of whom work in MA
- Businesses must be in compliance with all legal obligations of employers and with all applicable labor, licensing and tax laws

What is a Wellness Program?

- Provides a safe workplace that protects and promotes health
- Designed to improve the health of individual employees
- Consists of eight essential components

Certification Program Criteria

1. Annual Budget for wellness
2. Designated Wellness Champion
3. Formal communication to all employees about the program
4. Health Risk Assessment and/or Biometric Screenings
5. Collect data on employee interests
6. Identify key health issues and/or interests
7. Programs based on key health issues*
8. Voluntary participation of $\geq 33\%$ of employees

Certification Program Criteria

Programs based on key health issues:

- Awareness/education
- Encouraging individual behavior change
- Supportive Environment

Awareness/Education

- Information sessions on health insurance benefits
- Community programs on health topics
- Signage encourage healthy behaviors, i.e., healthy vending, stair use, etc.
- Educational classes offered on company time
- Brochures, videos, posters

Behavior Change

- Subsidized gym memberships or weight control programs
- Tobacco cessation programs
- Free or subsidized health screenings at the workplace
- Lifestyle coaching
- Incentives for participation

Supportive Environment

- Reduced health care premiums
- Work time for participation in wellness activities
- Tobacco use policies
- Employee Assistance Programs (EAP)
- Manager training on supportive behaviors for health, stress, work/life
- Healthy food choices
- Equipment to reduce ergonomic hazards

How Do I Apply for the Tax Credit?

- Apply online at: www.mass.gov/welnesstaxcredit
- DPH certifies that a wellness program meets eligibility criteria
- Immediate notice of denial if program did not meet eligibility criteria
- All other applications go into a pending status
- Programmatic review
- Labor law compliance review (Executive Office of Labor and Workforce Development)
- Applications processed within 60 days, then approval or denial is issued
- Employer then files the certificate number with their tax return

Tax Credit Summary

2013

- 34 businesses approved
- 65% of approved businesses were <100 employees
- Total Credit Approved: \$243,869.54
