1.) Go to www.academyonline.org, and sign in to your member account. If you have not yet set up a member account, please see the tutorial Create a Member Account.

2.) If you are a returning user, then you will see your profile home page. (If you are logging in for the first time, you will see your Preferences.*) In the menu bar above your profile, under Publications and Resources, click on Neonatal Network®: The Journal of Neonatal Nursing menu item.

*Note: You can choose to verify your member profile options now, or come back to them at a later time by choosing the Manage Profile link under My Profile, and then choosing Preferences in the Information and Settings section.
3) On the Neonatal Network®: The Journal of Neonatal Nursing page, there are two options, one for members and one for non members. Members will choose the Member option to access Neonatal Network®. (You must be logged in for this option to work. If you are not logged in, you will be brought to a log in screen.)

3) The Neonatal Network®: The Journal of Neonatal Nursing online access page will open in a new tab, and you can access journals articles from 2005 to present. Happy Reading!
