## Abstract and Case Presentation Session I: Saturday, November 8, 10:00 AM – 12:00 PM

**10:00 AM - Scientific Abstract**

**A1: CT Data is Useful In Differentiation of Mandibular Lesions**  
Authors: Jia J Ooi, DMD; Philipp Kupfer, DMD, MD; Mark Engelstad, DDS, MD  
Residency Program: University of Louisville  
Presented By: Dr. Jia Ooi

**10:10 AM - Case Report**

**C1: Utilization Of Stereotactic Navigation For Surgical Treatment Of Synovial Chondromatosis Of The Temporomandibular Joint With Erosion Of The Glenoid Fossa And Cranial Extension**  
Authors: Matthew Krieger DMD; John S. Vorrasi, DDS  
Residency Program: Christiana Care Health Services  
Presented By: Dr. Adam Krieger

**10:20 AM - Scientific Abstract**

**A2: Treatment Of Obstructive Sleep Apnea With Anterior Repositioning Appliance And Its Correlation To Pre-Treatment Cephalometric Measurements**  
Authors: Garth Porter, DDS; J Marshall Green, III, DDS; Damon Jensen, DDS; David Bitonti, DMD  
Residency Program: National Capital Consortium Oral and Maxillofacial Surgery  
Presented By: Dr. Garth Porter

**10:40 AM – Case Report**

**C3: A Complete Through And Through Penetrating Wood Trauma Of The Face And Neck: A Case Report.**  
Authors: Catherine Rode, DMD; Carrie Klene, DDS  
Residency Program: Indiana University  
Presented By: Dr. Catherine Rode

**10:50 AM – Case Report**

**C4: Zygomatic Implants: A Case Series And Review Of The Literature**  
Authors: Samir Waris, DMD; Kevin Arce; DMD, MD, FACS; Thomas Salinas, DDS  
Residency Program: Mayo Clinic  
Presented By: Dr. Samir Waris

**11:00 AM – Scientific Abstract**

**A3: Utilization Of The All Suture Biomet Juggerknot Soft Anchor For Disc Repositioning In The Surgical Management Of Internal Derangements Of The Temporomandibular Joint**  
Authors: Charles Hanley, DDS; S. Ross Martin, DMD; Steven Sullivan, DDS  
Residency Program: University of Oklahoma Health Sciences Center  
Presented By: Dr. Ross Martin

**11:10 AM – Case Report**

**C5: Multimodal Secondary Reconstruction Of Facial Traumatic Defects: A Case Report**  
Authors: Brett Bezak, DMD; Kevin Arce, DMD, MD  
Residency Program: Mayo Clinic  
Presented By: Dr. Brett Bezak
Abstract and Case Presentation Session II: Sunday, November 9, 10:30 AM – 12:00 PM

10:30 AM – Scientific Abstract
A5: Post Discharge Nausea And Vomiting Following Third Molar Extractions Under Ambulatory Anesthesia
Authors: Ray English III, DMD; Alireza Ashrafi, DMD; Sepideh Sabooree, BS, DMD candidate; Mina Boulos, DMD candidate; Archana Viswanath, BDS, MS
Residency Program: Tufts University School of Dental Medicine
Presented By: Dr. Ray English

10:40 AM – Case Report
C9: Pediatric Ameloblastoma; Resection and Reconstruction
Authors: Patrick Kelly, DDS; Peter Alfano, DMD; Brian Mannari, DMD, MS
Residency Program: Brookdale Hospital Medical Center
Presented By: Dr. Patrick Kelly

10:50 AM – Case Report
C10: Unusual Fibro-Osseous Lesion Of The Coronoid Process
Authors: Carl Bifano, DMD; Allen Fielding, DMD, MD; Jeffrey Litman, DMD
Residency Program: Temple University Hospital
Presented By: Dr. Jeff Litman

11:00 AM – Scientific Abstract
A6: Efficacy Of Hemcon Dental Dressing In Reducing Postsurgical Complications Following Mandibular Third Molar Extractions
Authors: Ray English III, DMD; Alireza Ashrafi, DMD; Sepideh Sabooree, BS, DMD candidate; Mina Boulos, DMD candidate; Archana Viswanath, BDS, MS
Residency Program: Tufts University School of Dental Medicine
Presented By: Dr. Ross Fahey

11:10 AM – Case Report
C11: Reconstruction Of A Full-Thickness Nasal Alar Defect: A Case Report
Authors: Amber Johnson, DO, DMD; David Lui, MD, DMD
Residency Program: Virginia Commonwealth University Department of Oral and Maxillofacial Surgery
Presented By: Dr. Amber Johnson

11:20 AM – Case Report
C12: Closure Of Temporomandibular Joint-External Auditory Canal Fistula Using Interpositional Temporoparietal Fascial Flap: Two Case Reports
Authors: David W. Lui, DMD, MD; Samir Singh, DMD
Residency Program: Virginia Commonwealth University Department of Oral and Maxillofacial Surgery
Presented By: Dr. Samir Singh
11:30 AM - Scientific Abstract
A7: Recurrence Rates Of Keratocystic Odontogenic Tumors In Patients Treated By Enucleation And Curretage With Or Without Use Of Carnoy's Solution
Authors: Bradley M Pinker, DDS; Carolyn Dicus Brookes, DMD, MD; Blake Nelson; Ceib Phillips, MPH, PhD; Brent A Golden, DDS, MD; George Blakey III, DDS
Residency Program: University of North Carolina at Chapel Hill
Presented By: Dr. Bradley Pinker

11:40 AM – Case Report
C13: Osteomyelitis Of The Mandible Caused By Methicillin Resistant Staphylococcus Aureus
Authors: Thomas M. Jacks, DDS; Cristopher P. Maly, DDS; Brittany K. Rudlosky, DDS
Residency Program: Walter Reed National Military Medical Center
Presented By: Dr. Brittany Rudlosky

Abstract and Case Presentation Session III: Sunday, November 9, 2:00 PM – 4:00 PM

2:10 PM – Case Report
C14: External Distraction Maxilla And Mandible For Treatment Of Obstructive Sleep Apnea
Authors: Shea McCue, DDS; Cyndi Nguyen, DDS
Residency Program: Temple University Hospital
Presented By: Dr. Shea McCue

2:20 PM – Case Report
C15: Rapidly Growing Maxillary Lesion In A Seven Year Old
Authors: Rory Sadoff, DDS; Louis Christensen, DDS; Matthew McShane, DDS; Adam Kaiser, DMD; Adam Semanoff, DMD
Residency Program: Nassau University Medical Center
Presented By: Dr. Adam Kaiser

2:30 PM – Case Report
C16: Soft Tissue Reconstruction Of Mandibular Defects With A Myofascial Temporalis Flap
Authors: Cyndi Nguyen, DDS; Carl Bifano, DMD; Brian Smith, DMD, MD
Residency Program: Temple University Hospital
Presented By: Dr. Cyndi Nguyen

2:40 PM – Case Report
C17: Chasing The Casing: Bullet Casing Lodged Within The Soft Palate S/P Gsw To The Face, A Case Report
Authors: George Y. Soung, DDS; Robert A. Strauss, DDS, MD
Residency Program: Virginia Commonwealth University Department of Oral and Maxillofacial Surgery
Presented By: Dr. George Soung

2:50 PM – Case Report
C18: Intraosseous Schwannoma of the Mandible Associated with Auditory Changes: A Case Report
Authors: Jeffrey Y. Tsai, DMD, Barry C. Boyd, MD, DDS; Etern S. Park, MD, DDS
Residency Program: University at Buffalo Oral and Maxillofacial Surgery
Presented By: Dr. Jeffrey Tsai

3:00 PM – Case Report
C19: Glenoid Fossa Fracture With Mandibular Condylar Impaction: A Case Report And Review Of The Literature
Authors: James Gates, DMD; Allen Champion, DDS
Residency Program: Thomas Jefferson University Hospital
Presented By: Dr. James Gates
3:10 PM – Case Report
C20: Ridge Splitting Technique Used In The Maxilla And Mandible For Narrow Alveolar Ridges
Authors: Thomas Curiel, DMD
Residency Program: Thomas Jefferson University Hospital
Presented By: Dr. Thomas Curiel

3:20 PM – Case Report
C21: Atypical Cartilaginous Neoplasm of the Temporomandibular Joint: A Case Report of Resection and Costochondral Graft Reconstruction in an Adult
Authors: Victoria Palermo, DDS, MD; Daniel Taub, DDS, MD; Lionel Gold, DDS; Robert Diecidue, DMD, MD, MBA, MSPH
Residency Program: Thomas Jefferson University Hospital
Presented By: Dr. Victoria Palermo

3:30 PM – Case Report
C22: Low Grade Fibroblastic Neoplasm With Fibromyxoid Sarcoma And Sclerosing Epithelioid Sarcoma Features In The Mandible: A Case Report
Authors: Michael Sommer, DDS.; Daniel Taub, DDS, MD
Residency Program: Thomas Jefferson University Hospital
Presented By: Dr. Michael Sommer

3:40 PM – Case Report
C23: A Case Report; Chondroblastoma Of The Mandibular Condyle And Surgical Resection With Immediate Reconstruction Using A Free Fibula Flap.
Authors: Robert Diecidue, DMD, MD, MBA, MPH; Daniel Taub, DDS, MD; Frank Doroba, DMD; Lionel Gold, DDS
Residency Program: Thomas Jefferson University Hospital
Presented By: Dr. Frank Doroba

3:50 PM – Case Report
C24: Management Of Uncontrolled Hemorrhage And Subsequent Repair Of The Maxillofacial Trauma Patient: Report Of A Case.
Authors: Jesse Snow, DMD; Allen Champion, DDS
Residency Program: Thomas Jefferson University Hospital
Presented By: Dr. Jesse Snow

4:00 PM – Case Report
C25: Recurrent Ameloblastoma In A 32 Year Old Male
Authors: Timothy Adams, DDS; Robert Diecidue, DMD, MD, MBA, MSPH
Residency Program: Thomas Jefferson University Hospital
Presented By: Dr. Timothy Adams
