ACOMS and FACES PRESENT
29TH ANNUAL WINTER MEETING

February 22-27, 2016
Snowmass, Colorado

Join ACOMS and FACES in beautiful Snowmass, Colorado for our combined meeting at the outstanding Westin Snowmass Resort

Course Directors:
Charles D. Hasse, DDS, MD, FICD
Brian B. Farrell, DDS, MD
R. Bryan Bell, DDS, MD, FACS

Director Emeritus:
Myron R. Tucker, DDS
On behalf of the American College of Oral and Maxillofacial Surgeons (ACOMS) and FACES, we cordially invite you to join us at the ACOMS and FACES 29th Annual Winter Meeting at the outstanding Westin Snowmass Village Resort February 22 – 27, 2016.

Specially developed for oral and maxillofacial surgeons, orthodontists, and general practice dentists, this exceptional learning activity promises to engage attendees by providing practical information which can readily be integrated into the practice setting. Participants will enjoy the educational lectures, the sharing of experiences, and the opportunity to connect and network with experts and colleagues.

Each day will feature two lectures on diverse topics presented by an outstanding faculty. The program has been set to provide for great educational sessions and at least six hours of skiing daily. Fireside chats and case presentations will be featured and breakfast and après ski snacks and beverages are included. We guarantee a memorable week of education and camaraderie in the beautiful Rocky Mountains.

Aspen/Snowmass is one of the premier places in the world to ski and snowboard. With four unique mountains (with complimentary shuttle transportation between them), there is something for everyone. Snowmass, Aspen Mountain, Aspen Highlands, and Buttermilk have terrain for all levels of skiers and your lift ticket is valid for all four mountains!

Plan your winter ski vacation with ACOMS and FACES and bring your family to Snowmass. Even if you don’t ski or board you’ll find a wide variety of fun activities for you and your family including snow shoeing, dog sledding, snowmobile rides, cross-country skiing, ice skating, shopping, spectacular dining, and much more! With 5,300 acres of terrain and abundant choices for dining and nightlife, there are many reasons to visit the most exciting winter escape in the world.

We sincerely hope you will make plans to join us for an outstanding educational experience, exhilarating skiing, and many other fun activities in Snowmass Village and the surrounding area.

Sincerely,

Myron R. Tucker, DDS
Charles D. Hasse, DDS, MD, FICD
Brian B. Farrell, DDS, MD
R. Bryan Bell, MD, DDS, FACS
Course Content and Schedule

**MONDAY, FEBRUARY 22**

5:00 p.m. - 6:00 p.m.
Course Introductory Orientation
*Brian B. Farrell, DDS, MD*

Validation of Virtual Surgical Planning
*R. Bryan Bell, MD, DDS, FACS*

6:00 p.m. - 8:00 p.m.
Welcome Reception

**TUESDAY, FEBRUARY 23**

7:00 a.m. - 9:00 a.m.
Precision Planning and Surgery of Facial Asymmetries
*Simonas Grybauskas, DDS, MD, PhD*

4:00 p.m. - 6:00 p.m.
Transverse Dimension of the Mandible in Double Jaw Surgery for Short Faces: Orthodontics, Surgery and Sculpturing
*Simonas Grybauskas, DDS, MD, PhD*

**WEDNESDAY, FEBRUARY 24**

7:00 a.m. - 9:00 a.m.
Orthognathic Virtual Surgical Planning: Intraoral Scanning and an Algorithm for Planning without Dental Models
*T. J. Tejera, DMD, MD*

4:00 p.m. - 6:00 p.m.
Oral and Maxillofacial International Volunteerism: The Honduras Experience
*T. J. Tejera, DMD, MD*

6:00 p.m. - 7:00 p.m.
Fireside Chats/Case Presentations

**THURSDAY, FEBRUARY 25**

7:00 a.m. - 9:00 a.m.
Interdisciplinary Dentistry, Orthodontics and Surgery with Emphasis on Soft Tissue Esthetics
*David M. Sarver, DMD, MS*

4:00 p.m. - 6:00 p.m.
Orthognathic Surgery in Today’s Practice Environment: An Orthodontist’s Perspective
*David M. Sarver, DMD, MS*

**FRIDAY, FEBRUARY 26**

7:00 a.m. - 9:00 a.m.
The All-on-4® Concept: Computer-Guided Full Arch Surgery with Immediate Restoration
*Joel S. Berger, DDS, MD*

4:00 p.m. - 6:00 p.m.
Management of Dentofacial Deformities with Comorbid Degenerative TMJ Disease
*Joel S. Berger, DDS, MD*

**SATURDAY, FEBRUARY 27**

7:00 a.m. - 9:00 a.m.
Rapid Correction of Dentofacial Deformities: Combining Accelerated Osteogenic Orthodontics™ (AOO™) and Orthognathic Surgery
*Charles D. Hasse, DDS, MD, FICD*

T. J. Tejera, DMD, MD
Private Practice, Southwest Florida
Oral & Facial Surgery, PA
Fort Myers, Florida
Trauma Service – Facial Fractures/Oral & Maxillofacial Surgery, Lee Memorial Hospital
Clinical Adjunct Professor, Nova Southeastern University
Course Overview
This course focuses on advancements in orthognathic and craniofacial surgery, orthodontics, surgically-facilitated orthodontics, complex implant treatment, and multispecialty interaction. Topics will include: advances in virtual surgical treatment planning of complex cases including asymmetries and in patients with transverse arch discrepancies; use of scanning technology to replace traditional use of dental models; surgically-facilitated orthodontic treatment; interdisciplinary management of patients requiring surgical treatment and the orthodontist's perspective of the current challenges with orthognathic surgery; and treatment of complex implant cases, and management of patients with combined orthognathic and TMJ abnormalities. Fireside chats will provide opportunities for sharing difficult cases with the experts as well as discussing challenges impacting the specialties. The course format encourages interaction between attendees and faculty in an informal environment.

Target Audience
This course is designed for oral and maxillofacial surgeons, orthodontists, dentists, physicians, and health care auxiliaries interested in the advancements in the field and in sharing experiences in a highly interactive setting.

Professional Practice Gaps
Rapidly advancing technologies including virtual surgical planning for orthognathic and implant surgery, improving scanning and computer technology, and advanced surgical techniques have created a knowledge gap for practicing oral and maxillofacial surgeons, orthodontists, general dentists, and other dental specialists. This course will provide an evidenced-based educational program to present methods for implementing the latest technologic advances in treatment planning and orthodontic and surgical treatment. This course will provide a wide variety of treatment options for patients undergoing orthognathic, TMJ, reconstructive, and implant surgery.

Assessment of Need
Practitioners need new information and management strategies in the field of orthodontics and orthognathic surgery, reconstructive surgery, and implantology. Topics in research and choices in treatment are essential, as well as are opportunities for collegial discussion and consideration of application to one’s clinical setting.

Methodology-Format
The purpose of this course is to engage attendees in thoughtful discussion and debate of the issues so they can implement appropriate improvements to patient care. Each session is structured to invite informal discussion of the issues surrounding the topic being presented. Participants are invited to bring cases for discussion during the fireside chat.

Objectives
Upon completion of this meeting, the attendee should be able to:

• Describe the complex nature of facial asymmetry and the benefits and uses of Virtual Surgical Planning
• Outline the benefits of surgical management of mandibular arch width abnormalities
• Apply advanced scanning technology to replace traditional use of dental models in planning
• Apply a system for coordinated treatment among specialties
• Summarize the steps, from an orthodontic standpoint, in facilitating orthognathic surgery
• Classify options for the treatment of the complex implant patient
• Employ AOO™ techniques in conjunction with orthognathic surgery and outline the benefits of this approach.
• Summarize how to carry out the most optimal surgical planning and treatment in locations where the environment may present difficult challenges.
Continuing Dental Education

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. The ACOMS and FACES 29th Annual Winter Meeting has been approved for 19 hours of Continuing Dental Education (CDE) credits.

Continuing Medical Education

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of University Health Services Professional Education Programs (UHS-PEP) of Virginia Commonwealth University Health System and the American College of Oral and Maxillofacial Surgeons, Inc. UHS-PEP is accredited by the ACCME to provide continuing medical education for physicians.

UHS-PEP designates this live activity for a maximum of 18 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Commercial Interests

All faculty are expected to disclose to the audience any real or apparent financial affiliations related to the content of their presentations. Detailed disclosures will appear in writing and be distributed on-site prior to the course and will also be made verbally prior to the faculty presentation at the live event.
ONLINE REGISTRATION IS OPEN.
Please visit www.acoms.org/faces for more information and to register. Individuals who are current ACOMS member OR who are nonmembers but who have attended five or more FACES meetings are eligible for the discounted pricing.

* Only current ACOMS members (all categories) or any nonmember who has attended five or more FACES meetings qualify for the discounted rate. Five-year FACES meeting attendees must use a promo code in order to access the discounted rates. Please contact info@acoms.org prior to registering so that we may verify your attendance and provide you the promo code.

Accommodations

ACOMS/FACES has secured a room block at the fabulous Westin Snowmass Resort. The Westin Snowmass Resort offers ski-in/ski-out access to Snowmass Mountain and is located in the heart of Snowmass Village. Experience the ultimate location, a modern design, and a deeply relaxing atmosphere at the Westin Snowmass Resort.

Our specially-negotiated room rate for the meeting is $409 for a King and $439 for a double/double (two Queen beds) plus resort fee of $30 and tax. The resort fee includes:

- Complimentary shuttle service between the Aspen-Pitkin County Airport (Sardy Field) and the Westin Hotel.
- High speed guestroom Internet ($11.95 per day value)
- Local shuttle service
- Local telephone calls from guestrooms
- Ski valet services ($20 per day value)

In addition to lodging at the Westin Hotel, a selection of deluxe condominium properties is available to meeting registrants. These select units provide kitchens amenities and have been selected for their convenience to the conference center. Contact ENCOMPASSE TOURS for best available pricing and assistance.
CHILD CARE
While we cannot endorse any child care services, the child care facility located in the Treehouse Kids’ Adventure Center caters to infants, toddlers and pre-schoolers, with each group having their own private area. Staff includes an on-site nurse and your child will have a blast in this interactive environment while under the attentive care of their experienced staff. The Treehouse Kids’ Adventure Center is a state of the art facility providing:

• Quality childcare for infants and toddlers ages 8 weeks to 4 years
• Colorado, state-licensed childcare with licensed registered nurse on staff
• Interactive environment with age-appropriate themed rooms
• Lunch & Snacks provided (Infants—please provide own food and formula)

Visit www.aspensnowmass.com for other child care providers.

SKI SCHOOL AND PRIVATE FAMILY LESSONS
Aspen is a great place to learn how to ski or to master your technique. Group and private instruction is available. Visit www.aspensnowmass.com for information.

TRAVEL
Aspen's Sardy Field (ASE), located just three miles from Aspen and eight miles from Snowmass Village, is the most conveniently located ski resort airport in the world. Up to 126 flights per week offer reliable, same-day connections from points across the globe. Aspen Airport is currently serviced by United Express, American, and Frontier Airlines.

Eagle/Vail (EGE) is another option just 90 minutes from Snowmass. Denver offers the most affordable air pricing and is approximately 200 miles from Snowmass. Visit www.acoms.org/faces for shuttle information.

LIFT TICKETS AND EQUIPMENT RENTAL
We are pleased to offer discounted lift tickets and discounts on ski/board rental. Complete information will be available on our web site: www.acoms.org/faces.

ENCOMPASSE TOURS
is the exclusive travel supplier for the ACOMS and FACES 29th Annual Winter Meeting. Meeting participants will enjoy guaranteed discount pricing below the nightly rates offered directly by the Westin Hotel. The Westin will not honor ACOMS / FACES pricing for direct bookings. Be certain to book your stay with Encompasse by contacting them at (800) 836-8104. Encompasse is a winter ski travel wholesaler and can offer you discounted pricing at surrounding properties, such as ski condominiums, as well.
