2018-2019 Scholarship Application

AGC of Minnesota has a strong tradition of providing scholarships to outstanding students studying for careers in the construction industry. To qualify for a scholarship, the applicant must currently be enrolled in an accredited post-secondary institution in a construction-related field/trade. Preferences will be given to (1) students in their junior/senior year (or second year of a skilled trade) and (2) enrolled in a Minnesota school.

Beginning with the 2018/19 academic year, AGC is proud to announce the establishment of the Charles S. McCrossan Scholarship to be awarded to a Minnesota student(s) in a construction career with an emphasis on civil engineering and/or road/bridge construction management. C.S. McCrossan founded his own Minnesota-based highway/heavy civil company in 1956 and over the last 50+ years the business has grown into a diversified general contractor company which continues to be owned and operated by the McCrossan family. Charles S. McCrossan passed away in 2017, leaving a legacy of industry advocacy and giving.

To apply for a 2018/19 scholarship, please complete **this form** and include a **copy of your transcript(s)**, and a **typed, double spaced essay** addressing your personal and professional interests that may include your work-related experiences, any involvement in student or community organizations, honors or awards you have received, your career objectives and financial needs.

Your completed application and supporting documents must reach the AGC office no later than **Friday, May 4, 2018** (hand deliver, mail, or email to mbeckmann@agcmn.org).

Scholarship recipients will be notified by June 15, 2018. Successful candidates will be encouraged to attend the AGC Sporting Clays Fundraiser August 20, 2018 to be recognized and receive the award.
