

## 2017 Sponsorship Opportunities

Throughout 2017, there will be many opportunities to support AGC of Minnesota events. What's in it for your company? Sponsors will be recognized at the event and will be listed in AGC of Minnesota's newsletter and on its website. Nametags with Sponsor ribbons will make you easily recognizable at your sponsored event. Your involvement is critical to the success of AGC of Minnesota and will add to your company's visibility in the construction community.

Thank you to those who have supported us in the past, and continue to do so.
