**2018 Summer Summit**  
***Reboot and Retool:***  
***Teaching and Learning for Diverse Minds***

Monday, June 18 - Tuesday, June 19, 2018  
 Airlie Resort and Conference Center, Warrenton, VA

The Virginia Association of Independent Schools (VAIS), the Association of Independent Schools of Greater Washington (AISGW) and the Association of Independent Schools of Maryland (AIMS) collaborated on this exciting *NEW* program that seeks to expand PK-12 independent school educators' knowledge and understanding of students with learning differences. The Summit is built around engaging, open dialogue between teachers and administrators, providing educators with the necessary tools to support and serve students better in their own learning environments.

Featured Speakers Include:

		
Jonathan Mooney	Dr. William Stixrud	Rick Wormeli

Register today. Space is limited. Gain some new insights and understandings about students with learning differences from some expert practitioners!
