Day 2 - March 16, 2018

- 7:30 am – 7:35 am **Introductions and Welcome**
KC Ogbonna, PharmD, MSHA, BCGP
- 7:35 am – 9:35 am **Neurologic Disorders in the Older Adult**
Ericka Crouse, PharmD, BCPP, BCGP, FASHP, FASCP
Emily Peron, PharmD, MS, BCPS, BCGP, FASCP
ACPE UAN: 0203-0000-18-009-LO1-P
Credits: 2.5 Contact Hours*
Activity Type: Application-Based
- Determine therapeutic options for delirium, dementia, Parkinson's disease, seizures and pain in the older adult.
 - Interpret neurologic clinical findings and incorporate functional status into therapeutic decision-making.
 - Resolve and/or prevent neurologic medication-related problems.
 - Apply neurologic therapy recommendations and person-specific goals to senior patient cases.
- 9:35 am – 9:45 am *Break*
- 9:45am – 11:15am **Respiratory Disorders in the Older Adult**
Keith Swanson, PharmD, BCGP
ACPE UAN: 0203-0000-18-010-LO1-P
Credits: 2.0 Contact Hours*
Activity Type: Application-Based
- Determine therapeutic options for chronic obstructive pulmonary disease, asthma, allergic rhinitis and sleep apnea in the older adult.
 - Interpret respiratory clinical findings and incorporate functional status into therapeutic decision-making.
 - Resolve and/or prevent respiratory medication-related problems.
 - Apply respiratory therapy recommendations and person-specific goals to senior patient cases.
- 11:15 am – 12:30 pm *Lunch on your own*
- 12:30 pm – 2:30 pm **Genitourinary & Renal Disorders in the Older Adult**
Scott Vouri, PharmD, MSCI, BCPS, BCGP, FASCP
Emily Peron, PharmD, MS, BCPS, BCGP, FASCP
KC Ogbonna, PharmD, MSHA, BCGP
ACPE UAN: 0203-0000-18-011-LO1-P
Credits: 2.5 Contact Hours*
Activity Type: Application-Based
- Determine therapeutic options for renal considerations and adjustments, benign prostate hyperplasia, urinary incontinence and erectile dysfunction in the older adult.
 - Interpret genitourinary and renal clinical findings and incorporate functional status into therapeutic decision-making.
 - Resolve and/or prevent genitourinary medication-related problems.
 - Apply genitourinary and renal therapy recommendations and person-specific goals to senior patient cases.
- 2:30 pm – 2:40 pm *Break*

2:40 pm – 4:10 pm

Gastrointestinal Disorders in the Older Adult

Keith Swanson, PharmD, BCGP

ACPE UAN: 0203-0000-18-012-LO1-P

Credits: 2.0 Contact Hours*

Activity Type: Application-Based

- Determine therapeutic options for diarrhea, constipation, gastroesophageal reflux disorder, nausea, vomiting and anemia in the older adult.
- Interpret gastrointestinal clinical findings and incorporate functional status into therapeutic decision-making.
- Resolve and/or prevent gastrointestinal medication-related problems.
- Apply gastrointestinal therapy recommendations and person-specific goals to senior patient cases.

4:10 pm – 4:15 pm

Wrap-Up

KC Ogbonna, PharmD, MSHA, BCGP

*Course credit is based on content time of live program and completion of the 10-question post-test. You will receive an extra 0.5 contact hours for completing the post-test examination of each course. Per the Board of Pharmacy Specialties (BPS), all pharmacists intending to receive BCGP recertification credit have ONE attempt to achieve a 70% or higher on the post-test. Those studying for the BCGP exam will have unlimited attempts.

Course Coordinator and Moderator:

KC Ogbonna, PharmD, MSHA, BCGP

Associate Dean of Admissions & Student Services &
Associate Professor, Geriatrics
Virginia Commonwealth University School of Pharmacy

Emily Peron, PharmD, MS, BCPS, BCGP, FASCP

Assistant Professor, Geriatrics
Virginia Commonwealth University School of Pharmacy

Speakers:

Ericka Crouse, PharmD, BCPP, BCGP, FASHP, FASCP

Associate Professor
Department of Pharmaceutics and Outcomes Science
Virginia Commonwealth University School of Pharmacy

Keith Swanson, PharmD, BCGP

Associate Professor of Pharmacy Practice
University of Oklahoma College of Pharmacy

Scott Vouri, PharmD, MSCI, BCPS, BCGP, FASCP

Assistant Professor, Department of Pharmacy Practice
St. Louis College of Pharmacy

Spencer Durham, PharmD, BCPS-ID

Assistant Clinical Professor, Dept. of Pharmacy Practice
Auburn University Harrison School of Pharmacy

Kristin Zimmerman, PharmD, BCACP, BCGP

Associate Professor
Department of Pharmaceutics and Outcomes Science
Virginia Commonwealth University School of Pharmacy

Sandra Hrometz, PhD, BsPharm, BCGP

Professor of Pharmaceutical Sciences
Manchester University, College of Pharmacy
