

Order Form for Perinatal Orientation and Education Program, Fourth Edition

Dear Colleague,

Thank you for your interest in the Perinatal Orientation and Education Program, Fourth Edition (POEP4). POEP4 is made up of 15 modules and each learner is able to earn up to 67 contact hours.

Below is the pricing structure.

POEP4-14 PERINATAL ORIENTATION AND EDUCATION PROGRAM, 4TH EDITION

(top left section, p. 2)

The full purchase of the POEP4 program is \$4,950. With this purchase your individual hospital will receive 50 complimentary participant seats for your staff and (1) administrator seat with access to the education. These CNE will expire on December 31, 2020.*

*Check <https://www.awhonn.org/?CNEProducts> for possible CNE updates.

POEP4-A POEP4 AFFILIATE LICENSE

(top right section, p. 2)

The purchase of POEP4 permits one hospital to teach/implement the program on that site. If a hospital is part of a hospital system, other hospitals in that same system can purchase a license for POEP4 at a greatly reduced price. The cost is \$999 per additional hospital/physical location. This is a one-time fee. It includes (0) participant seats, but does include (1) administrator seat.

POEP4 ADDITIONAL SEATS

Hospitals purchasing the affiliate license will need to purchase seats for nurses to earn contact hours. Additional seats can be purchased directly from AWHONN at \$39 per seat. There are no minimum orders and the hospital can purchase as many education seats as needed, at any time through December 31, 2020.

For those hospitals with a full purchase of POEP4 (at \$4,950), additional seats can be purchased at \$39 per seat once the 50 complimentary seats have all been used.
