# Young Execs

## Program Topics...

Networking

Boardsmanship

Public Speaking

Work/Life Balance

Leadership

Management

Civic Engagement

Team Building

The Young Executives program is an opportunity for young professionals who are in the 3-5 year mark in their career. The program is designed to give attendees a chance to build long-term business relationships with a core group of peers. Attendees will also learn team building skills, leadership skills, civic awareness, and receive valuable tools & resources to help them reach long-term career success.

The series of eight monthly programs kicks-off in January 2016.

# 5

## Great Reasons to Participate

- Gain access to a peer-networking group for young executives
- Develop techniques for networking and building long-term business relationships
- Meet established business & community leaders
- Build skills-sets in areas essential for business success
- Build general awareness of the political landscape of our community

Contact Sara Garner at 425.213.1204 or [sgarner@bellevuechamber.org](mailto:sgarner@bellevuechamber.org) for additional information.

“

Young Executives provides an awesome opportunity to access influential leaders in our community and meet other like-minded individuals. The program creates an environment that supports developing strong relationships and business connections. As Bellevue continues to grow, being part of this diverse and thriving community is a truly valuable experience.
