# CLC Judges and Tabulators Recognition Program

This program rewards those who serve the Cadillac & LaSalle Club (CLC) by judging or tabulating judging scores at the events approved by the CLC for judged car shows using the CLC judging system. Points are awarded for CLC judging and related activities.

## REWARDS

Judges and Tabulators will be awarded distinctive pins confirming their recognition as an official CLC Judge or Tabulator. These pins will, by their design and construction, indicate the level of training and experience acquired by the Judge or Tabulator. The levels are:

- Bronze
- Silver
- Gold
- Platinum
- Senior
- Master Senior

The Judges' Recognition Program began in 2015. Those who have judged in at least one CLC Grand National at Brookfield, Wis. (2015), Lake George, N.Y. (2014), Quincy, Mass. (2013), St. Augustine, Fla. (2012), and Columbus, Ohio (2011) can obtain points for judging or tabulating at those events and for Grand Nationals in 2010, 2009, 2008, 2007 and 2006. To obtain recognition points for those events, the CLC member will submit a form provided by the CLC to the National chief judge. The information on the form will be compared with records maintained by the National chief judge. Proven experience will be granted points consistent with the points assigned according to the following schedule of qualified activities.

Subsequent to Program initiation, the National chief judge, or his/her designee, will record points earned after each event or activity in the National Judges and Tabulators Database. Awards to each judge will be distributed as each level of award is achieved.
