March 27, 2014

Dear Attendee:

The Board and leadership of the Connecticut Podiatric Medical Association are proud to welcome you as an attendee to the 2014 Annual Symposium at a new location for CPMA, the Hartford Marriott Downtown. The venue has a lot to offer, including views of the Connecticut River, a spa and fitness center and the convenience of being interconnected to the Hartford cultural community. We hope you take time out of your busy schedule to enjoy the many amenities and fine dining available nearby.

Following, please see the program schedule for the 2014 Symposium along with brief profiles highlighting CPMA’s distinguished guest speakers. Details regarding our exhibitors and corporate sponsors who assist each year to make this event successful can also be found. TCPMA extends their appreciation to each organization for their continued partnership and support.

Thank you for being a part of the 2014 CPMA Symposium. It is our hope that you enjoy this premier podiatric event in the Northeast!

Sincerely,

Marc A. Lederman, DPM
Executive Director
CPMA

Brad Bakotic, DPM, DO
Bradley Bakotic, DPM is a Podiatric Dermatopathologist and a Professor at Barry University. Dr. Bakotic works with podiatrists throughout the country and is a nationally recognized speaker on podiatric medicine and dermatopathology. He serves on the editorial boards of the Journal of Foot and Ankle Surgery, Podiatry Online and Dermatopathology Practical and Conceptual. He is affiliated with Bako Podiatric Pathology Services in Alpharetta, GA.

Chad P. Brouillard, Esq.
Chad P. Brouillard graduated from the University of Massachusetts at Lowell with a B.A., magna cum laude, and with a dual major in English Literature and Philosophy. He then graduated from Boston College with a M.A. in Philosophy. Thereafter, in 2003, Mr. Brouillard obtained his J.D. from St. John University’s School of Law with a Dean’s List distinction. During law school, Mr. Brouillard interned with the United States Attorney’s Office and then with the Hon. Joseph M. McLaughlin, United States Court of Appeals, Second Circuit.

Mr. Brouillard is a national speaker on Electronic Health Records liability, e-discovery, data breach and healthcare technology liability. In 2012-2013, he testified before the U.S. HHS Office of the National Coordinator (ONC) on three occasions as a content expert on EHRs, mHealth and medical liability concerns.

Mr. Brouillard has been named as a Massachusetts “Rising Star” attorney by Boston Magazine for 2011 and 2012. He also has been given a “Superb” 10/10 Avvo Attorney Rating for the years 2010-12.

Alan R. Catanzariti, DPM
Dr. Alan Catanzariti’s areas of specialty include Podiatric surgery, ankle surgery and wound care. His hospital affiliations include Forbes Hospital, West Pennsylvania Hospital and Allegheny Valley Hospital. He is Board certified from the American Board of Podiatric Surgery. Dr. Catanzariti studied at the California College of Podiatric Medicine and completed his residency from the Podiatry Hospital of Pittsburgh . Alan Cantanzariti is currently affiliated with Allegheny Health NetWork.

James R. Christina, DPM
James R. Christina, DPM completed his undergraduate studies as a Magna Cum Laude graduate from West Virginia University with a B.A. in biology in 1979. Later that same year, he began his post-graduate studies at the Pennsylvania College of Podiatric Medicine and received his Doctor of Podiatric Medicine degree (DPM) in 1983. After completing two years of surgical training in Southfield, Michigan and Baltimore, Maryland, Dr. Christina entered private practice in Rockville, Maryland in 1985.

During his twenty years in private practice, Dr. Christina was very involved in the local running community. He was a long time member of the Montgomery County Road Runners club, providing lectures to the beginning women’s running group and was medical coordinator for many years for the Pike’s Peak 10K run. In the podiatric medicine world, he was very involved in the Maryland Podiatric Medical Association serving as an officer and eventually as the MPMA president from 1991-1993. He was also a long-time delegate from Maryland to the American Podiatric Medical Association’s House of Delegates. Dr. Christina was a member of the Maryland State Board of Podiatric Medical Examiners (the Maryland licensing board from 1999-2003) and twice was the Podiatry Section Chair at Suburban Hospital in Bethesda, Maryland.

In 2005, Dr. Christina accepted the position of Director of Scientific Affairs for the American Podiatric Medical Association. In that position he has been intimately involved in the development and implementation of quality measures related to diabetic foot care including involvement with the Physicians Consortium for Performance Improvement (PCPI), the Quality Alliance (AQA) and the National Quality Forum (NQF). He has helped guide the 2007 Workforce Study and the Thomson Reuters Study that demonstrated the value of podiatric care to people with diabetes.

David Freedman, DPM, CPC, CPMA, CSFAC
David Freedman, DPM, CPC, CPMA, CSFAC is a foot and ankle surgeon practicing in Silver Spring, Maryland. He is a nationally recognized expert in the area of medical coding with an emphasis on ICD-10.

Harry Goldsmith, DPM
Dr. Harold Goldsmith has over 20 years of active experience in the areas of medical review, quality assurance, practice management, reimbursement management, managed care, as well as medical-legal issues. He has been a consultant to many national third party payers including Medicare (Southern California), Blue Cross of California, managed care companies, and unions/trusts. Dr. Goldsmith is a noted lecture and author on topics of managed care, reimbursement, coding/billing, practice management and fraud/abuse.
Richard Jay, DPM
Dr. Richard Jay is an experienced, nationally and internationally recognized authority on foot and ankle surgery for children and adults. He has performed thousands of surgical procedures; he is often the surgeon doctors themselves choose should they require surgery. Excellence is his standard of care. As a university professor, lecturer, and author/editor of over 70 texts and journal articles, Dr. Jay still has time to care for his patients within and a large orthopedic practice.

His areas of specialty include, Achilles rupture repair, ankle fractures, ankle injuries, ankle ligament reconstruction, ankle surgery, flatfoot correction, foot fractures, hammertoe correction and total ankle replacement. He obtained his podiatric medical degree at Temple University and completed his surgical residency at the John F. Kennedy memorial Hospital in Philadelphia.

Dr. Jay is currently the Chief of Foot and Ankle Surgery at Inspira Health Network, Professor of Foot and Ankle Surgery at Temple University and is on the surgical staff at the University of Pennsylvania - Presbyterian and Pennsylvania Hospitals. He is currently in private practice at Reconstructive Orthopedics in Vineland, NJ.

Marc A. Lederman, DPM
Executive Director of the Connecticut Podiatric Medical Association and in private practice at West Hartford Podiatry Associates. Dr. Lederman is board certified in foot surgery and a fellow of the American Academy of Podiatric Sports Medicine. He is an active member of the Saint Francis Hospital and Medical Center Podiatric Residency program and a clinical instructor in the Department of Orthopedic Surgery, University of Connecticut School of Medicine.

Julie Lundberg – Director of Account Management, gloStream
Julie Lundberg is a leading practice advocate and visionary for independent medical practices, having spent a career creating seamless operations experiences for providers and their practices. Carrying a unique knowledge of the impacts that IT decisions and healthcare regulations can have on today’s medical practices, Julie’s passion is to work with practices to create highly personalized solutions. Her expertise in tying tailored solutions to performance metrics has also resulted in community-wide recognition. Having been a key member of the gloStream team since 2010, Julie previously served in various roles for William Beaumont Hospital in Metropolitan Detroit.

James W. Pellegrini, MD
Dr. James Pellegrini is a Board Certified Neonatologist practicing at UMass Memorial Medical Center in Worcester, MA. He is a graduate of the University of Massachusetts Medical School and completed his residency at the UMass Memorial Medical Center and a Neonatology fellowship at Brigham and Women’s Hospital, Children’s Hospital Boston and Beth Israel Deaconess Medical Center.

Immad Sadiq, MD
Dr. Sadiq joined the University of Connecticut School of Medicine as clinical faculty in 2010. Prior to this, he was working in Providence Rhode Island where he was appointed as clinical faculty at the Miriam hospital and was appointed as Assistant Professor at the Warren Alpert School of Medicine at Brown University from 2005 to 2010.

Quiona Stephens, PhD
Dr. Quiona Stephens is a member of the Smith & Nephew Medical and Clinical Affairs division as a Medical Science Liaison. She serves as a field-based medical support, educational resource, and research intermediate to the Health Point team in the midwest and northeast regions, covering approximately 20 states.

Dr. Stephens was formally trained as a research physiologist at Old Dominion University, Howard University and The Ohio State University. Additionally, Dr. Stephens did her post doc and residency training at the only military medical school in the country, The Uniformed Services University of the Health Sciences, in the Department of Military and Emergency Medicine, where she later became an Assistant Research Professor. Dr. Quiona Stephens’ previous research interests and professional endeavors focused on vascular related diseases, specifically hypertension, diabetes, obesity, and the metabolic syndrome.

In addition to teaching medical school and conducting clinical research, Dr. Stephens also briefly worked in the pharmaceutical industry as a clinical specialist within the medical division of a big Pharma company. Working in big Pharma, allowed Dr. Stephens to gain field-based experience in working with more than 130 sales representatives and over 300 clinicians.

Dr. Stephens has published in peer-reviewed journals, worked on a multidisciplinary research team for clinical trials, and conducted pre-deployment health research analysis on U.S. soldiers.
CMIC has been a leading and trusted insurance partner for 30 years. Our innovative insurance programs are tailored to meet the unique needs and challenges our podiatrists face each day.
