2016 FOS ANNUAL MEETING

FLORIDA ORTHOPAEDIC SOCIETY

May 19-22, 2016

JW Marriott Orlando Grande Lakes
Orlando, Florida
Sometimes, thinking forward requires sideways thinking.

Innovators pave the road to the future. The rest just follow. That's why we took a different approach. We began as a specialty-specific company focused on drastically changing the EHR game. And now—well now we’re ready to transform the clinical, financial and operational aspects of your practice.

Introducing your modmed Orthopedics™ suite:
• modmed EMA™ – the #1-ranked* EHR system designed by physicians for physicians to support streamlined workflows, improved care and quality reporting
• modmed PM™ – innovative practice management technology that connects the front and back offices to maximize productivity
• and so much more

*Ranked #1 on the 2015 Black Book Market Research Top EHR list.

Because getting it right the first time is better than getting there first.

SUNDAY MORNING IN GENERAL SESSION
Social Events

Thursday Evening

Welcome Reception
Sponsored by Danna-Gracey and The Doctors Company

The annual FOS Vendor Appreciation Welcome Reception will be held the first evening of the meeting, Thursday, May 19th from 6:00 to 7:00 pm on Valencia Court at the hotel. All meeting attendees, vendors, and their families are encouraged to attend. Please RSVP so we have an accurate head count. This is an outdoor event so resort casual dress is encouraged.

Friday Evening

FOPAC and AAOS PAC Reception
Sponsored by Danna-Gracey and The Doctors Company

Our political action committees will host a special reception in the Mediterranean Ballroom (exhibit area) on Friday, May 20th from 5:00 – 7:00 pm. The event will feature appetizers, beverages, music, and some special guests and recognitions. Please feel free to bring along your spouse, family, and guests to this terrific event as you begin your evening.

Friday Afternoon

Fundraiser for Julio Gonzalez, MD for Florida House of Representatives

The Florida Orthopaedic PAC will host a special fundraising event on Friday, May 20th from 4:30-5:30 pm in the foyer of the Mediterranean Ballroom honoring one of our own, Dr. Gonzalez, and his bid for re-election to the Florida House. Don’t miss this opportunity to support Julio and his continued representation of physicians and patients in Tallahassee.

Saturday Night

Closing Evening Reception

Start the final night of this year’s conference attending the Closing Evening Reception on Valencia Court. This is a perfect opportunity to share a cocktail and some jokes with your peers as you coordinate your final evening of the annual meeting. The reception will take place 6 pm to 7 pm on Valencia Court. All meeting attendees, vendors (tickets required), and their families are encouraged to attend. This is an outdoor event so resort casual dress is encouraged.

Dr. Miguel E. Cabanela is an Emeritus Professor of Orthopaedic Surgery at the Mayo Clinic in Rochester, MN. He received his Medical Degree (Summa cum laude) from the University of Santiago Medical School in Spain. He completed a Residency in Orthopaedic Surgery at the Mayo Graduate School of Medicine in Rochester, MN.

Dr. Cabanela is the Executive Director of the Mid-America Orthopaedic Association. He has served in leadership roles in many professional societies including serving as President in the Hip Society, the International Hip Society, and the Minnesota Orthopedic Society. He has also served in numerous volunteer positions with the American Academy of Orthopaedic Surgeons including Chair of the Committee on International Education and Relations and the Committee on Injuries.

Doctor James R. Andrews is one of the founding members of Andrews Sports Medicine and Orthopaedic Center in Birmingham, Alabama. He is also co-founder of the American Sports Medicine Institute (ASMI) a non-profit institute dedicated to injury prevention, education and research in orthopaedic and sports medicine. Doctor Andrews continues to serve as Chairman of the Board and Medical Director of ASMI. Doctor Andrews is also a founding partner and Medical Director of the Andrews Institute in Gulf Breeze, Florida. He is President and Chairman of the Board of the Andrews Research and Education Foundation also dedicated to prevention, education and research at the Andrews Institute. He has mentored more than 314 orthopaedic/sports medicine Fellows and more than 84 primary care sports medicine Fellows who have trained under him through these Sports Medicine Fellowship Programs.

Doctor Andrews is known and recognized for his skills as an orthopaedic surgeon as well as his scientific and clinic research contributions in knee, shoulder and elbow injury prevention and treatment. In addition, he has made major presentations around the world, and has authored numerous scientific articles and books. He has recently written a book, Any Given Monday, about prevention of youth sports injuries and how to prevent them for athletes, parents and coaches. The book is based on his life in sports medicine and was released in January 2013 by Simon & Schuster.

Doctor Andrews graduated from Louisiana State University (LSU) in 1963, where he was Southeastern Conference indoor and outdoor pole vault champion. He completed LSU School of Medicine in 1967 and completed his orthopaedic residency at Tulane Medical School in 1972. He had surgical fellowships in sports medicine at the University of Virginia School of Medicine in 1972 with Doctor Frank McCue, III and at the University of Lyon, Lyon, France in 1972 with the late professor Albert Trillat, M.D., who is known as the Father of European Knee Surgery.
Keynote Speakers and Sessions

Gregory A. Chaires, Esq.
Chaires, Brooderson, & Guerrero. P.L.
Altamonte Springs, FL

Gregory A. Chaires has been Board Certified by the Florida Bar as a specialist in Health Law since 2001 and licensed to practice law in Florida since 1992. He has extensive experience representing health care providers, medical group practices, hospitals, and other health care facilities. He routinely advises on issues involving the federal Stark Self-Referral and Anti-kickback statutes, the Florida Patient Self-Referral Act, the Florida Anti-kickback Statute, as well as the False Claims Act and fee splitting prohibitions. Mr. Chaires provides representation concerning Medicare/Medicaid fraud and abuse investigations and prevention, HIPAA privacy and security regulations, reimbursement issues, compliance programs, physician employment agreements and medical staff privilege matters. Lastly, Mr. Chaires routinely represents physicians and other health care providers in professional license investigations and disciplinary actions before the various medical quality assurance boards such as the Florida Boards of Medicine, Osteopathic Medicine, Dentistry, Pharmacy, Chiropractic and Nursing.

Prior to founding the firm, Mr. Chaires served the State of Florida as Assistant General Counsel to the Board of Medicine, as well as General Counsel to the Boards of Nursing, Dentistry, Respiratory Care and Opticianry through which he gained a significant knowledge and understanding of the regulatory process, invaluable in his assisting clients. In addition Mr. Chaires was the legal advisor to the Medicaid Fraud Control Unit for the Southern District of Florida for the Florida Office of the Attorney General.
Keynote Speakers and Sessions

Will Shaffer, M.D.
Medical Director
American Academy of Orthopaedic Surgeons

Dr. Shaffer is the Medical Director of the American Academy of Orthopaedic Surgeons (AAOS). He is located in the Washington, DC office. As medical director, Dr. Shaffer oversees the office of government relations and the department of research and scientific affairs. Dr. Shaffer assumed his position with AAOS in December 2013. He has a true passion for science and evidence-based medicine, and has been working in this area more than 15 years. Dr. Shaffer believes “We are at a place in medicine where healthcare has become very valuable and quality-based and evidence-based medicine is in the best interest of our patients.”

Specializing in the treatment and care of the spine, and currently retired from the Navy, Dr. Shaffer earned his medical degree from the University of Michigan and joined the U.S. Navy, completing an orthopaedic surgery internship at the Naval Hospital Oakland & an aerospace preventive medicine fellowship at the Naval Aerospace Medical Institute in Pensacola, FL. He served two years aboard USS America, USS Independence, and USS Nimitz, with tours in the Mediterranean and Caribbean.

Dr. Shaffer later completed an orthopaedic surgery residency at the Naval Hospital in Portsmouth, Va., followed by a tour at the Naval Hospital in Yokosuka, Japan, where he received the Navy Commendation Medal, and a Spine Fellowship at the University of Iowa and Chief of Orthopaedics at National Naval Hospital Bethesda, Md.

Dr. Shaffer spent time in private practice at Ventura Orthopaedic & Sports Medicine in Ventura, Calif., before joining the Saint Louis University School of Medicine’s Orthopaedic Surgery Department, where he reestablished the spine program in both orthopaedic and neurologic surgery. He later established a spine practice at the University of Kentucky in Lexington, Ky., where he served as professor, vice-chairman, and orthopaedic residency coordinator. Later, and prior to joining the AAOS, Dr. Shaffer’s practice was part of the Northwest Iowa Bone, Joint and Sports Surgeons, in Spencer, Iowa.
Jan Vest is the Chief Executive Officer of Signature Medical Group, Inc. (SMG), an independent multi-specialty group of 130 physicians in 17 specialties and over 850 employees in St. Louis, Kansas City and rural Missouri. As an awardee convener in the Center for Medicare and Medicaid Innovation’s Bundled Payments for Care Improvement program, SMG is leading the largest orthopedic initiative in the country designed to improve quality of care and reduce cost in Medicare joint replacement patients. The SMG program clinically integrates 2,000 orthopedic surgeons in 26 states and 60 cities across the country. SMG is managing 45,000 total joints a year in the program. Also, through a grant received from CMMI to participant in the Strong Start for Mothers and Newborns program, SMG has successfully implemented new models of prenatal care that have reduced premature births in its population of Missouri Medicaid women by almost 50 percent. He consults with a wide range of healthcare organizations and regularly presents to business organizations, academic leaders, physician groups and healthcare professionals throughout the country. He is a former member of the Federal Reserve’s Health Care Industry Council and is currently a member of the boards of the American Association of Orthopedic Executives, the Midwest Healthcare Initiative and the Signature Healthcare Foundation. Jan was selected as the Medical Practice Executive of The Year 2015 by the Medical Group Practice Management Association (MGMA).

In alliance with

FOS Florida Orthopaedic Society

BSOF BONES Society of Florida

We are offering all FOS & BSOF members Top quality CAST, SPLINT & DMEs at a SPECIAL price

“The consistency of the Tomato casting product is much easier to work with and less messy, for some reason or another there is no DRIP! It hardens faster if needed and we believe that it dries harder... The cast are lighter, because less is used. GREAT STUFF! We are switching over with every order.”
