

The IACP Foundation is proud to present an exciting way for you to help introduce the future of our profession – our pharmacy students – to the importance of pharmacy compounding!

The IACP Foundation’s Fund the Future program raises monies to bring pharmacy students to one of the most important events in pharmacy compounding – *Compounders on Capitol Hill*. Your donation will provide pharmacy students a scholarship to attend its *Annual Compounders on Capitol Hill*, in Washington, D.C.

**Scholarships, valued up to \$2,500 each, will cover the following expenses:**

- Full registration for one person to attend *Compounders on Capitol Hill*
- Hill Day registration for one student
- RxMixer attendance and dinner
- Five (5) nights of hotel accommodations
- Funds to cover meals not covered by registration and incidentals - \$900 (paid after attendance)

Please contribute to Fund the Future, and send deserving students to an event that surely will be one of the most pivotal of their pharmacy careers.
