Greetings bar members and friends of the bar,

I am excited to invite you to the 2014 Annual Meeting coming up in June. It's an event you don't want to miss. Many great things are going to happen there.

Notable this year is the event location at Veterans Memorial Auditorium. The building, now known as the Community Choice Credit Union Convention Center, has been totally renovated. It is a spectacular facility with break rooms and a wonderful ballroom where the large events and meetings will be held. The space offers bountiful opportunities to socialize with colleagues and judges.

In addition to being held in conjunction with the Iowa Judges Association, there are a number of events combined with the annual meeting. The 2nd Annual Tech Show, which is included in the entry fee, will be a tremendous opportunity to see all the new tech gadgets and advances coming down the pike for the practice of law.

We also have several notable speakers who are coming. Former U.S. Rep. Jim Leach will speak and we've invited our only lawyer/legislator in Congress, Rep. Bruce Braley. We will also have a national speaker on the client revolution and the future practice of law, Jay Shepherd, who goes across the country speaking on the subject. We're excited to have him as a speaker.

One of the justices of the Illinois Supreme Court will also talk about the future of legal education and licensure. And, there will be more than 50 hours of CLE offerings from various tracks whether it be probate, litigation, real estate, tax, and over \$5,000 worth of fantastic prizes.

This event really is something new and different. The annual meeting committee and bar staff have spent the last year planning this event. It is unlike annual meetings of the last few years. It is really something special. From the fantastic location to a one-of-a-kind tech show to the various opportunities for specialized CLE credits, this event is not to be missed.

I encourage you to sign up to be there, June 16-19 in Des Moines at the Community Choice Credit Union Convention Center, formerly Vet's Auditorium.

Best regards,

A handwritten signature in black ink that reads "Guy R. Cook". The signature is written in a cursive, slightly slanted style.

ISBA President, 2013 - 2014
