Dear Mr. Adams,

Indiana will grant an emergency exemption for Utility vehicles traveling from Indiana for the purpose of assisting with transporting emergency equipment due to Hurricane Sandy. Conditions for granting this exemption allow for immediate aid and support to travel through Indiana to assist other states for emergency response and recovery.

Indiana will allow for an **emergency exemption** from IFTA and IRP regulations beginning Monday, October 29, 2012 through Sunday, November 4, 2012. Please refrain from taking enforcement action on any Utility vehicle assisting with the transportation of emergency equipment until 12:00 a.m. Monday, November 5, 2012.

For more information or questions regarding this please contact me at (317) 615-7257.

Best Regards,

Michael J. Alley, Commissioner
