### **Membership Categories and Annual Dues**

### General Membership: \$95 (USD) plus chapter dues

Professionals who have as their primary responsibility information systems security in the private or public sector, or professionals who supply information systems security consulting services to the private or public sector; or IS Auditors, or IS professionals who have as one of their primary responsibilities information systems security in the private or public sector; Educators, attorneys and law enforcement officers having a vested interest in information security; or Professionals with primary responsibility for marketing or supplying security equipment or products. Multi-year memberships for General Members, are as follows (plus chapter dues each year): 2-Year: \$185; 3-Year: \$275: 5-Year: \$440.

### Government Organizational: \$90 (USD) plus chapter dues

This membership offers government agencies the opportunity to purchase membership for an employee. This membership category belongs to the employer and can be transferred as reassignments occur. When an employee is assigned to this membership, he or she has all of the rights and privileges of a General Member.

### Student Membership: \$30 (USD) plus chapter dues

Student members are full-time students in an accredited institution of higher learning. This membership class carries the same privileges as that of a General Member except that Student Members may not vote on Association matters or hold an office on the ISSA International Board. There is no restriction against students forming a student chapter.

### CISO Executive Membership: \$995 (USD) plus chapter dues

The role of information security executives continues to be defined and redefined as the integration of business and technology evolves. While these new positions gain more authority and responsibility, peers must form a collaborative environment to foster knowledge and influence that will help shape the profession. ISSA recognizes this need and has created the exclusive CISO Executive Membership program to give executives an environment to achieve mutual success. For more information about CISO Executive Membership and required membership criteria, please visit the CISO website - http://ciso.issa.org.

# **Credit Card Information** Choose one: ☐ Visa ☐ MasterCard ☐ American Express Card # \_\_\_\_\_ Exp. Date \_\_\_\_\_ Signature \_\_\_\_\_ CVV code \_\_\_\_\_

### Please check the following:

### Where would you place yourself in your career lifecycle?

Executive: CISO, senior scientist, principal or highest level in respective field

Senior: department manager or 7+ years in respective field Mid-Career: 5-7 years with an identified field of security specialty

Entry Level: 1-5 years, generalist

Pre-Professional: Student or newcomer exploring the field

## The most important aspects of my membership for the current membership

Build or maintain professional relationships with peers

Keep up on developments and solutions in cybersecurity, risk or privacy

Establish a professional development strategy to achieve my individual career goals

Increase my personal visibility and stature within the profession

Share my knowledge and expertise to advance the field

Develop the next generation of cybersecurity professionals

Earn CPEs/CPUs to maintain certifications or credentials

Access to products, resources and learning opportunities to enhance job performance Problem solving or unbiased recommendations for products and services from peers Gain leadership experience

None

### Most challenging information security issue?

Governance, risk and compliance

Securing the mobile workforce and addressing consumerization Data protection Application security Security and third party vendors Security awareness Threat updates Legal and regulatory trends

Endpoint security Incident response

Strategy and architecture

None

#### Which business skills would be most valuable for your professional growth?

Presenting the business case for information security Psychology behind effective security awareness training

Business forecasting and planning Budgeting and financial management

Management and supervisory skills Legal knowledge Presentation skills Negotiation skills

Written and verbal communications
