WORKSHOP OVERVIEW AND INVITATION TO PARTICIPATE

ISTH Education Workshop on Thrombotic Disorders in collaboration with the Sociedad Mexicana de Trombosis y Hemostasia (SOMETH) and Grupo CLAHT

May 31- June 2, 2018

Hacienda Galindo
San Juan del Río Querétaro, Mexico

Introduction and General Information

The International Society on Thrombosis and Haemostasis (ISTH) is pleased to announce its ISTH Education Workshop taking place from May 31-June 2 in Querétaro, Mexico.

ISTH continues its successful series of courses offering training in biological and clinical aspects of thrombosis and hemostasis and is pleased to offer its first workshop in Mexico. ISTH has worked in full collaboration with the Mexican Society on Thrombosis and Hemostasis to craft the program.

Target Audience:

This meeting is targeted to:
- Clinicians and trainees in hemostasis, hematology, transfusion medicine, vascular medicine, or intensive care medicine,
- PhD wishing to acquire clinical and basic knowledge in the field, or
- Senior hematologists looking for an update.

Objectives:

By attending this workshop, participants will:
1. obtain an understanding of the latest developments in VTE and thrombosis management
2. learn to identify, diagnose and have knowledge of the latest treatment for patients with risk of thrombosis
3. have the opportunity to network with leading experts in the field of thrombosis and hemostasis, benefiting from the small training size (200 maximum participants)

The workshop will provide two and a half days of intense examination and discussions on the subjects of venous thromboembolism and other thrombotic disorders.

Leading scientists with in-depth experience in education will lead the training workshop. All speakers will deliver focused lectures followed by ample time for discussion and close interaction with the participants. *(Please see the full program attached.)*

**Key Facts:**

- Expected participation: 150 - 200 (allowing for maximum discussion, interaction and networking)
- Critical dates:  
  - Website go-live date: March 1, 2018
  - Registration open: March 1, 2018
  - Pre-registration deadline: May 1, 2018

**Planned Promotional Activities:**

- Dedicated workshop webpages and promotion on the ISTH website (www.isth.org)
- Broadcast emails (3x) to entire ISTH membership and prospects (total of around 20,000 contacts)
- Announcements in the monthly ISTH e-newsletters (March-May)
- Listing in medical/scientific calendars of events
- Promotion via 50 national and regional T+H societies worldwide
- Monthly social media inclusions on ISTH Facebook, Twitter and LinkedIn pages
- Post-meeting reporting

**Sponsorship Opportunities**

Sponsoring this workshop is an ideal opportunity to position your company as championing the training and education of young professionals. It will also provide you with wide-reaching visibility among tens-of-thousands of ISTH members and other T+H professionals around the world who will be informed about this workshop and its outcomes.

The ISTH offers corporate partners the following support opportunities:

- Sponsored symposia sessions
- Exhibition
- Attendee sponsor packages

The ISTH also invites the promotion of this workshop to interested participants via your company’s offices and affiliates around the world. Partners may also support the workshop through Educational grants or sponsorships
Sponsorship opportunities will be given on a first-come, first-serve basis. There is no priority ranking for this workshop.

1. Sponsored Symposia

The workshop program offers three time slots for companies or organizations interested to inform ISTH and SOMETH participants about their latest research, product developments or other scientific activities to organize sponsored symposia.

Sponsored symposia are organized by the sponsor or designated agent. The program must be scientific or educational in scope. CME accreditation will not be provided through the workshop, is not required but may be obtained at the discretion and at the cost of the sponsor.

The sponsor is required to adhere to the official rules for speakers and chairpersons at sponsored symposia and inform the ISTH and SOMETH organizers of the content, format and speakers and obtain formal approval for the program.

All sponsored symposia must be held in the Hacienda Galindo meeting space during the official time slots offered by ISTH in this sponsorship document or otherwise determined. Organizers of sponsored symposia held outside the venue and not during an official slot will face penalties to be decided by the ISTH and SOMETH Organizers. These can include financial fines equivalent to a symposium cost and/or exclusion to participate at future ISTH meetings.

Content of sponsored symposia must comply with any relevant guidelines applicable to the sponsor, be held in English or Spanish and be open to all participants. It is the sponsor's responsibility to interpret and comply with all applicable regulations or guidelines.

Symposia = $10,000

Thursday, May 31, 2018 13:30-14:45 (75 minutes)

Friday, June 1, 2018 19:15-20:30 (75 minutes)

Saturday, June 2, 2018 14:30-15:45 (75 minutes)

NOTE: Lunch will be provided to the participants before the main program begins as part of their registration fees.

The sponsorship amounts for sponsored symposia, unless otherwise stated, include the following:

- Room (as specified and booked by the sponsor) in the venue and standard audio-visual equipment as used for the main workshop sessions
- One (1) AV technician in room
- Listing of the sponsored symposium in the Final Program and on the Workshop website (display in accordance with prevailing CME regulations)
- A link to a specific website or html version for the specific sponsored symposium (provided by the sponsor) will be added on the workshop website under the symposia programs section
- Opportunity to display one (1) promotional poster in the registration area in the venue as designated by the ISTH Organizers (the day before during registration hours and the morning of the session)
- Use of the ISTH and SOMETH logos on the respective sponsored symposium invitations (only) (invitations to be approved by the Organizers)
- Inclusion in a one-time email shot listing all sponsored symposia that will be sent by ISTH to registered ISTH participants two (2) weeks prior to the workshop
• One (1) set of contact details of registered participants in advance (approx. two (2) weeks) of the workshop (one-time use only for invitation mailing) in excel format. Emails will be included for participants who give permission for their email addresses to be shared. Participants who opt-out are excluded from list.

2. Exhibition

The workshop will offer a limited area in the venue for display of informational items.

Opportunities for sponsors to reserve a designated **table** (ISTH provided) or reserve space for a **pop-up booth** (maximum 2m x 2m size, to be supplied by sponsor) in the registration and break areas. **Location of booth is available on a first-come, first-serve basis.**

2m x 2m maximum = $1,500 USD

**Space-Only exhibit areas include:**

• Company profile with logo in the Final Program and on the workshop website (sponsor and exhibitor page; display in accordance with prevailing CME regulations)
• Coffee breaks and lunches for registered exhibit personnel are included
• One (1) copy of the Workshop Program per booth
• One (1) exhibitor badge

3. Sponsored Attendee packages

Partners are encouraged to support participants to attend the full meeting. Sponsorship packages include:

• Full registration with access to all public and meet the expert sessions
• Two (2) nights’ accommodation—May 31 & June 1
• All meals included from lunch on May 31 to lunch on June 2
• Online and print program materials

Participants will be chosen by SOMETH. Sponsoring organizations will be recognized in the program book with the company details. Sponsors will be provided the contact details of those doctors that have been sponsored and given the opportunity to interact with the participants during the meeting.

**Attendee package = $600 USD per person**

*Minimum sponsorship amount is 10 attendees*

*Supporters sponsoring 20 or more attendees will be provided one 2m x 2m complimentary exhibition space*

4. Program Advertising

½ page advertisement in the non-scientific section of the workshop program provided to participants on site.

**Program Ad = $750 (up to 4 supporters)**
