Tucson Component Fact Sheet

Social work classes have been offered in Tucson through the ASU School of Social Work since 1972. In fall 1978, the Tucson Component opened, funded by a Manpower Training Grant and ASU resources. Faculty, students and graduates have offered leadership in the health and human services community through clinical practice, community development, agency evaluation, program development, case management, educational supervision, advocacy and grant development.

2008/2009 Academic year: Currently we have 53 BSW Students and 138 MSW Students enrolled, for a total of 191 students.

2006: 77 Graduates, BSW & MSW
2007: 78 Graduates, BSW & MSW
2008: 76 Graduates, BSW & MSW

From 1978-2008 we have graduated an estimated 1025 BSW & MSW Students.
We have employed over 90 Faculty Associates since the late 1970’s
The Tucson Component has brought in over $500,000. in Grant Monies
Some of our graduates include:

W. Mark Clark, CEO, CODAC Behavioral Health Services,
