Mingle, nibble, and have fun!

Network with other students and new professionals in the social work field! Enjoy delicious, hosted appetizers and cash and carry hand-crafted drinks. Whether you’re a student, new or seasoned professional, or changing professions, come see how the New Professionals Network - San Diego can connect you with others and help develop you as a Social Work professional!

Who is NASW CA NPN San Diego?

The mission of NPN-San Diego is to engage students and new professionals and to build and inspire a community of social workers in San Diego.

We plan to hold events and activities of interest including but not limited to formal and informal networking events, resume writing class, classes on licensing, job search, career advancement, community building, and lobbying for social change, etc.
