

## Clinical Document Co-Publication Form

1.  My organization, National Medical Association, would like to co-publish the clinical document titled *2017 ACC/AHA/AAPA/ABC/ACPM/AGS/APhA/ASH/ASPC/NMA/PCNA Guideline for the Prevention, Detection, Evaluation and Management of High Blood Pressure in Adults*. Please select all that apply below:
- We wish to **post a link to the non-typeset, advance manuscript** of the document (aka the “accepted manuscript) on our Web site.
  - We wish to **post a link to the subsequent typeset, published document** on our Web site and **will not reprint** the typeset, published manuscript in our journal.
  - We wish to **reprint the typeset, published document** in our journal. We understand that this will necessitate typesetting on our part.

1. Journal Information

- Journal name:
- Publisher:
- Contact name:
- Phone: Email:

**Links:** If you elect to post a link to the non-typeset manuscript and/or typeset document, ACC/AHA will provide this link to you.

**Reprinting:** If you elect to reprint the typeset document, ACC/AHA will provide your organization with the XML files necessary for you to typeset the document to match your journal’s style.
