

INCORPORATING CAD INTO YOUR DAILY OPERATION

Date: **November 6 & 7, 2015**

Location: **Hyatt Regency O'Hare, Chicago, IL**

Sponsored by the **NOMMA Education Foundation (NEF)**

Incorporating CAD into Your Daily Operations

This seminar is designed for fabricators who are either currently looking into adding CAD to their operations or who have CAD but have not fully leveraged this technology.

Using CAD at the initial sales call and/or bid process.

- Taking job photos and showing the design in the photo (eliminate the phrase "I didn't think it was going to look like this")
- Using CAD to simplify field measuring.
- Using CAD for estimating residential and commercial work.
- Using CAD to submit jobs for approval using sheet templates and creating multi-sheet PDFs
-

Using CAD in the fabrication and installation process.

- Creating installation and shop detail drawings from field dimensions and/or customer PDF's.
- Drawing picket, pipe, glass, and cable railings. Level and slope
- Laying out steel stairs both circular and straight.
- Drawing drive way and walk gates
- Creating a custom parts, beam and column library.
- Quality control tools to reduce or eliminate your "grave yard".
- Simulating installations shop layouts using CAD.
- Where to learn more.

Fee for class

\$350 NOMMA Members / \$450 non-members

Your fee includes class materials, lunch Saturday and breaks. You can use this registration form or register on-line at www.nomma.org

FabCAD will pay \$100 of the registration cost for first 10 registrants.

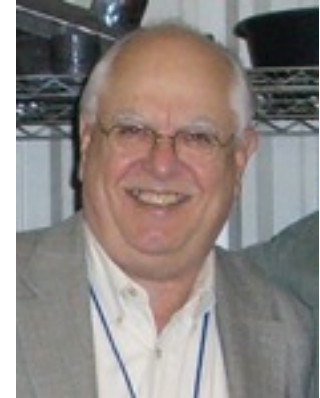

Register early so you can be one of the lucky registrants that receives a \$100 discount on your fee from FabCAD Inc.

I would like to be considered for the discount provided by FabCAD Inc.

Signature _____

You must submit your registration form for the class and you will be notified in your confirmation if you received the \$100 discount.

A very special thank you to Dave Filippi, FabCAD Inc. for this generous offer.

Dave Filippi - FabCAD Inc.
