Does a “one size fits all” solution apply to your career? With a plethora of “how-to” guides, articles and seminars telling women lawyers how to manage their careers, it is no wonder that many are tired of “work-life” balance topics and the like.

Join the TLA for a panel discussion with sole practitioners, law firm based and freelance lawyers from diverse areas of practice, including real estate, personal injury, family law, commercial litigation and corporate/commercial, at various ages and stages of their careers, as they share their own tailored definitions of success.
