Sept. 2014, UW Pop. Health
Clark County added
Why work together?

Networking
Coordinating
Cooperating
Collaborating
Collective Impact

Where are we now?

Exchange info and ideas
+ Alter activities
+ Sharing resources
+ Enhance capacity of other partners

Networking → Coordinating → Cooperating → Collaborating → Collective Impact

5 Conditions of Collective Impact

- Backbone Support
- Common Agenda
- Continuous Communication
- Shared Measurement Systems
- Mutually Reinforcing Activites

Source: http://www.ssireview.org/articles/entry/collective_impact

Common Agenda

What is our shared vision for change?
**Shared Measurement Systems**

How will success be measured and reported?

**Mutually Reinforcing Activities**

How will each partner’s efforts support and be coordinated with others?
Continuous Communication

How will we communicate openly & patiently build trust?

Backbone Support

Who will provide direction, facilitation, and management?
5 Conditions of Collective Impact

- Backbone Support
- Common Agenda
- Continuous Communication
- Shared Measurement Systems
- Mutually Reinforcing Activities

What would it take to launch a CI initiative?
A few Collective Impact resources
